

# PFC's Summer STREAM

## Challenge #3: Hello, Honeybee!

**REMEMBER PARENTS:** Please plan 40 minutes every day for learning (reading, writing and/or math challenges) to keep your students mind active! AND please take photos of your child's work and share it with us!

### FOR ALL STUDENTS

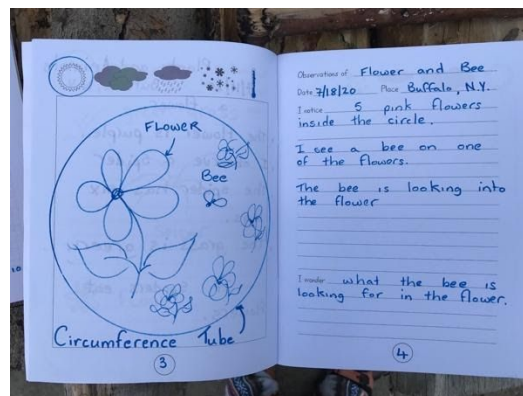

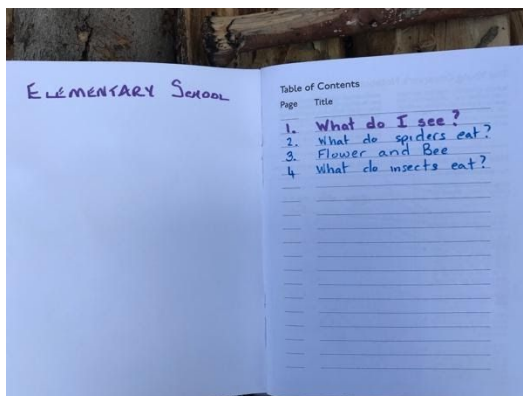

#### Challenge#3: Hello, Honeybee!

1. Record the weather and outdoor conditions when you make your observations.
2. Make a list of everything you observe.
3. Draw what you see.
4. Write down your questions about what you see.

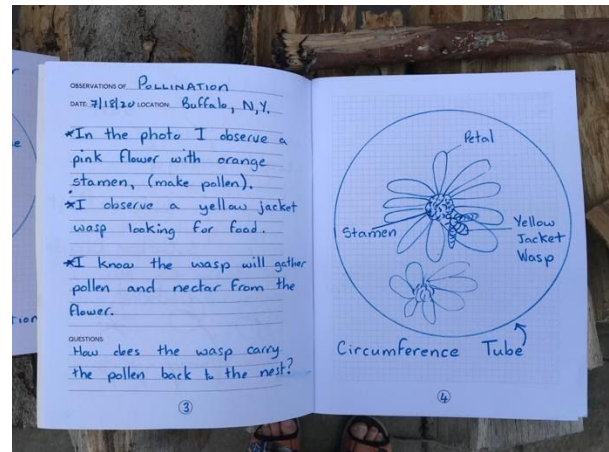

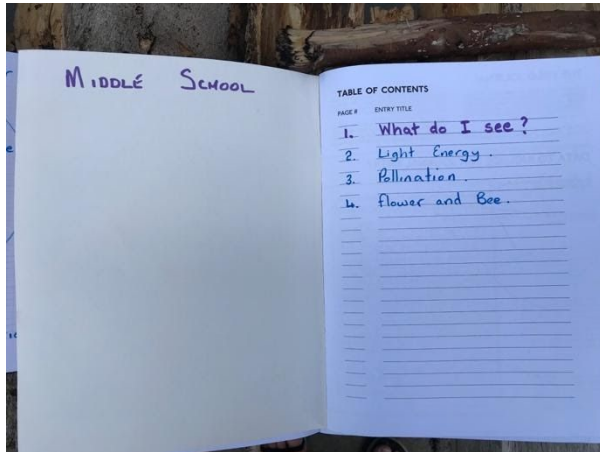

- Don't forget to write the date and location on the top and add the page and title on the index first page.

- Below are some examples of what a journal entry might look like.

#### For Elementary Students:

#### For Middle School Students:

### For High School Students:
